We're looking for a switched-on, ideas-led designer, with brand experience and a passion for typography to join us.

The role in a nutshell

- You'll be a designer working collaboratively on projects with a strong ability to develop creative concepts.
- You'll present ideas confidently with clear rationale.
- You'll be working under the guidance of our design directors, creative director and strategic director.
- You'll be responsible for delivering exceptional creative as part of the design team.
- You listen carefully and respond positively to feedback.
- You're a pro-active, positive problem-solver.
- You're autonomous, happy working as part of a team or working on your own.
- You're a driver. You see what needs tackling and you work hard to get things done, helping our creative processes to run like clock-work.
- You have a strong grasp of words and grammar.

Your experience

- 3-6 years experience at a reputable design agency.
- Worked on large and small projects with a healthy appetite for branding.
- Experience applying brands digitally, spatially and in print.
- Experience of brand strategy a bonus.

Your skills

- You bring ambitious and inspiring ideas at every opportunity.
- You'll have a natural ability for developing initial concepts.
- You care about type, crafting logos and have an eye for beautiful art-direction.
- You care about the design details and getting things super-tight.
- You can organise your thinking and ideas systematically — using clear, methodical processes.
- You're a great communicator who is naturally inquisitive and you enjoy discussing your own work and the work of others.
- You are comfortable presenting your work in a clear, confident and engaging way.

Qualities important to us

- Ambition for yourself and the work.
- Integrity in absolutely everything you do
- Open-minded and highly collaborative.
- You're naturally inquisitive and questioning.
